Mandatory goods

You need to supply your own mobile phone in order to access this service with the SIM card we will provide you. In order to access data using this service, your phone will need to be internet-capable. Make sure that your device isn't locked to other networks.

Coverage

Coverage availability will vary depending on your device compatibility and location. Please refer to the catchconnect.com.au/coverage-map to check if your device can take full advantage of the Optus network.

Activation

To use this service you need to purchase and activate a Catch Connect Prepaid SIM. You need to activate your SIM within 30 days of purchase or by the date advertised in a promotion (whichever is earlier) in order to take advantage of the inclusions in any advertised plans.

Exclusions

International roaming, SMS/MMS to overseas numbers, directory assistance and SMS to premium numbers are not included with your plan, but can be purchased using different Extras packs. You cannot make calls to premium numbers using our services. International calls are excluded from all Catch Connect Prepaid Mobile 90 day plans (except for the \$119 plan) listed in this Critical Information Summary but can be purchased using different Extras packs.

Special promotions and bonuses

This summary may not include special promotions or bonuses that may be associated with your plan or added by you.

Information About Pricing

Price for first 90 days for new services

From 11.00am 17 January 2019, a customer who purchases a new service on the voice and data 90 Day Plans ID: 404, ID: 405 and ID: 406 is charged \$15 for the first 90 days at checkout. This price does not apply to plan swaps. Subsequent recharges are at the prices listed in the Information About the Service section of this Critical Information Summary.

Minimum charge payable

\$39.

Cancellation fees

There are no cancellation fees.

Data Usage

Data is counted in 1 KB increments, and includes uploads and downloads. After you've used your included data, you will no longer be able to use your data service until you recharge again, unless you have an active Data Extras pack or Catch Extras credit. Unused plan inclusion data will not rollover when you recharge before credit expiry.

Service expiry

To make standard national calls and send standard national SMS and MMS, you need to have credit available on your service. If your plan is not set to auto-recharge and you do not recharge your plan, your SIM will remain active for 186 days after your last recharge expires. If you do not recharge again during that time, your SIM will be cancelled. You will require a new SIM card to use the service, and you may not be able to continue using your mobile number.

Automatic recharging

When you purchase your plan, it will be set by default to

automatically recharge your account 90 days after you activated the plan or last manually recharged. You can turn off automatic recharging and manage your recharges by logging in to your Catch Connect account at catchconnect.com.au/login.

Plan changes

You can swap to a different Catch Connect Prepaid plan at any time. When you swap, you will keep any unexpired Extras packs and unexpired Extras credit, but you will lose your existing plan inclusions and any other credit, minutes, SMS/MMS, data, bonuses or discounts.

Calls to 1800 numbers

If you have zero credit you will be able to make calls to 1800 numbers up until the time your plan recharge expires. Services that connect you to premium numbers may be charged to you or a third party.

Other Information

Tracking your spend

You can track your account balance, and usage of your included data and any Extras, 24/7 through the dashboard for your Catch Connect account, accessible at catchconnect.com.au/login. When you're in Australia, we will send you alerts when you have used 50%, 85% and 100% of your included data. We will not send you alerts for usage of Extras (including Extras data packs) or any bonus data you may have received.

Making international calls and using your service overseas

When in Australia, you can make standard international calls to 32 selected countries by purchasing an International Extras pack or if you are on the \$119 plan. Those 32 selected countries are: Austria, Bangladesh, Cambodia, Canada, Chile, mainland China, Croatia, France, Germany, Greece, Hong Kong, Hungary, India, Indonesia, Ireland, Italy, Japan, Malaysia, Netherlands, New Zealand, Pakistan, Philippines, Poland, Singapore, South Africa, South Korea, Taiwan, Thailand, Turkey, United Kingdom, the United States of America and Vietnam.

Calls to other international countries can be made by purchasing Catch Extras credit, at the rates described at catchconnect.com.au/pricing. If you do not want to purchase an International Extras pack, you can also use Catch Extras credit to call the 32 selected countries listed above, at the rates described at catchconnect.com.au/pricing

Catch Extras credit can also be used for roaming. Roaming costs and charges can vary based on location and networks. For more information on roaming rates, check out catchconnect.com.au/pricing-roaming
